By Blair Engle

Sunday February 19th the BBMG club ventured back the Colonial times of 1700. Three British, one Japanese and one German car traveled to Bradley's Store to learn about culture in Colonial times.

We saw many craftsmen selling everything, from leather goods, wood and bone carving, furniture, knives and many other types of weapons. Everyone we talked to was eager to explain about the customs of this era and how their craft fit in.

Unfortunately we picked the wrong day for our little trip.

Saturday was sunny and in the 80s and Sunday was overcast and 47 deg. BRRR!!

As I always say, "Press on regardless."
